

Summer Reading Program Events 2010

All programs will be held in the Community Room of the Independence Public Library, 805 1st Street East. All programs are free.

For more information: Call (319) 334-2470 or visit the library's website at www.indylibrary.org.

Programs for Preschool thru 5th Grade

Vantastic Bubbles
Come 'n' Go Open House
Wednesday, June 9th
9:30 to 11:30 a.m.

Bubbling over fun with the staff from the Bluedorn Science Imaginarium. Many hands-on bubble activities will be available for you to try.

Weather permitting, this program will be held on the front lawn of the library.
Sponsored by Beta Sigma Phi

Dive Into Reading
Story Time Stage Show
Wednesday, June 16th
9:30 a.m.

Daniel Poe of Creations with a Twist will be sharing some "Totally Twisted" stories and fun for everyone.

Sponsored by Wapsie Valley Creamery

Underwater Worlds
Wednesday, June 23rd
9:30 a.m.

Explore the strange creatures that live in local rivers and lakes with Buchanan County Naturalist, Jennifer Webster. Get a unique peek at how they survive. You may discover animals you never knew existed!

Our Wet Weather
Wednesday, June 30th
9:30 a.m.

Joe Winters, Chief Meteorologist at KCRG-TV9 will talk about all aspects of the weather, with special emphasis on precipitation from snow to rain.

Cookie & Craft Day
Wednesday, July 7th
9:30 & 11:00 a.m.

Enjoy making a summer craft and creating a "sweet treat".

Two sessions will be offered with a limit of 25 participants per session. Preregistration is required.

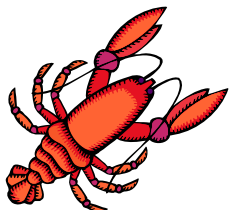

The Spoonman
Tuesday, July 20th
9:30 a.m.

A "stirring" performance will be presented by Jim Cruise. Jim's show engages the audience with many sing-along songs and funny stories.

Sponsored by Friends of the Library

Programs for 6th thru 12th Grades

Ever Raced a Crayfish?
Wednesday, June 23rd
11:00 a.m.

Check out what it's like to survive as a crayfish in an Iowa river with Buchanan County Naturalist, Jennifer Webster. Live crayfish will be on hand to get a close look at, and watch how they cruise.

Our Iowa Weather
Wednesday, June 30th
9:30 a.m.

Meet Joe Winters, Chief Meteorologist at KCRG-TV9 and ask him questions about Iowa's weather. Joe will share information about precipitation in Iowa.
