

# Independence Public Library Questions and Answers

## What is the status of the Vision Iowa CAT (Community Attraction and Tourism) Grant?

Library volunteers have applied for a Vision Iowa-CAT grant. The CAT Board has reviewed the application positively, but is waiting for its grant award until more area residents and businesses make their campaign pledge or gift. When a campaign volunteer contacts you, please respond, if possible, with your gift decision prior to the next CAT Grant meeting on November 8. Library volunteers thank you for your support.
