

# Independence Public Library Questions and Answers

## What will the new facility offer for children in the area?

The new library will offer something for everyone! It will be a fun and engaging place for children to spend time. Large programs like our summer reading events will be held in the program/community room while events such as storytime and make and take craft times will be held in the rotunda within the children's section. There will be space for children to read, play, study alone or with a group, use computers, and attend library programs simultaneously!
