

Independence Public Library Questions and Answers

How was the location of the new library selected?

The new library will be located at 805 First St. East by the Lee Mansion and Cedar Valley Hospice. The green space is owned by the city and is close to downtown Independence. This location will provide easy access to community residents traveling to the library, whether walking, driving, or bicycling. The oak trees will be preserved to maintain a beautiful, park-like setting. This is an ideal location for a community facility and was chosen for its many positive features.
