

# Independence Public Library Questions and Answers

What will the new facility offer for older adults in the area?

The new library will offer something for everyone! It will be a welcoming place where retired individuals and seniors can read or visit over coffee. It will provide social activities through library programs and informal meetings. The library will also be a great place for finding information and exploring personal interests, whether they are history, nature, politics, computers, or reading mysteries and the latest best-sellers.
